**DEMO**

The image shows a mobile application interface for placing an order. At the top, there is a status bar with icons for signal, Wi-Fi, and battery, along with the time 15:45. Below this is a yellow header bar with a hamburger menu icon on the left, the word "Order" in the center, a refresh icon, and a vertical ellipsis icon on the right. The main content area is white and contains three input fields: "Supplier" and "Item/Brand" are dropdown menus, and "Qty." is a text input field containing the value "400". Below these fields, the text "Total" is displayed on the left and "P200" is displayed on the right. At the bottom of the form is a large yellow button with the text "Order". The entire interface is framed by a black border, and at the very bottom is an Android-style navigation bar with back, home, and recent apps icons.
